

#### **EQUIPMENT SERVICE WORKER I**

# **Purpose:**

To actively support and uphold the City's stated mission and values. To perform a variety of routine semi-skilled work in the maintenance and servicing of City vehicles, apparatus and equipment.

# **Supervision Received and Exercised:**

Receives immediate supervision from higher level supervisory or management staff.

### **Distinguishing Characteristics:**

This is the entry level class in the Equipment Service Worker series. This class is distinguished from the higher level classes by the performance of the more routine tasks and duties assigned to positions within the series including basic vehicle servicing and maintenance. Since this class is typically used as a training class, employees may have only limited or no directly related work experience.

#### **Essential Functions:**

Duties may include, but are not limited to, the following:

- Service all types of fire and City apparatus and equipment; change oil and air, fuel, oil and hydraulic filters; lubricate chassis.
- Test and replace batteries, radiator and all hoses.
- Check all belts for condition and tightness.
- Check entire braking system; replace faulty brakes.
- Check, change, replace tube, rotate, mount and balance tires.
- Clean shop and shop equipment.
- Perform related duties as assigned.

CITY OF TEMPE
